## Company Profile

**Study Root Educational Consulting** is a leading international student recruitment group with a 'student first' approach. Our team of study abroad consultants help students achieve their international study dreams, and we take pride in the quality of our unbiased and honest student advice. We are **Govt approved** licensed consultants.

Our global destinations spans **14 countries**, with an experienced team of associates and partnered with **200+ tie-ups** in various Colleges and Universities across the Globe in countries viz. **Canada, Australia, New Zealand, USA, UK and Europe**.

We have a team of **Educationist and Career Counsellors**. We have a team of **Certified International Admission Counsellors** having 15+ years of experience in the field of Education.

**At Study Root**, we recognise the struggles students go through to fulfil their study abroad dreams. That's why we present the **best courses and universities** to students, matching their academic and personality profiles. We also provide services like **professional one to one counselling** for Students, Tourist Visa, Spouse open Work Permit and soon.

**Study Root welcomes you** to give us an opportunity to represent your institution and support your international student marketing efforts.
